

THE CONCORD ORCHESTRA

SPONSORSHIP OPPORTUNITIES

The Concord Orchestra was founded in 1953. Its season consists of three regular concerts performed in the fall, winter, and spring, a family concert in December, and Pops concerts in May. Each year one of its concerts features a performer from one of the Boston area schools who has won our Young Artist Competition. Concerts are held at The Performing Arts Center at 51 Walden. Richard Pittman has been its music director since 1969.

Please contact the orchestra at info@concordorchestra.com. Thank you!
